MEMORANDUM FOR: Director of Logistics
SUBJECT : Release of Classified Information
REFERENCE : (A) OEL-451-63 dated 26 Feb. 1963,
SUBJECT: Technical Proposal EG/2137
Base Contract 911, Task Order 2

[REDACTED]
Contract XG/2594

25X1A

25X1A

25X1A

1. Reference (A) requested that the Office of Logistics authorize [REDACTED] to engage in a research program designed to produce information on the atmospheric effects of propagation on select radar positions. This study involved the use of computer time and for this and other reasons, was subcontracted to the [REDACTED]

25X1A

[REDACTED] The deliverable item under this task was a publication/report classified SECRET. This office desires that the [REDACTED] be authorized to use information contained in this report for the consummation of research objectives contained in reference B, (XG/2594). Since reference B is an unclassified contract, and the report published under reference A was classified and was produced through the subcontracting mechanism, [REDACTED] has specifically requested that authorization be granted to use classified information contained in reference A.
